Yellow Current Project Status

Still have three clicks that need code written and tested. Still lacking a fully functional PCB, soldering not finished. Emailed Dr.Stapleton and Dr.Kemp our FDR for Review, hoping to make edits before the 15th.

Individual Updates (Activities Completed, Activities Planned)

Alfonso Working on Click codes, and FDR final report

Dylan Finished FDR presentation, made edits of report. Begin work on Poster Board.

Mohamed Handled part orders for new components and soldered newly designed PCB.
